

Books We Have Read And Recommend For You to Read

Note: The fact that we are recommending these books to you doesn't mean that we necessarily agree with everything written in every single one. We do agree with the content of most, but eat the meat and spit out the bones. We haven't even read every page of each book listed. We will add more to this list as we read more. God Bless you as you read these books as He has blessed us.
